## Summary

I'm a UI designer with over 5 years experience crafting digital products. A multi disciplined designer with a pinch of front-end development, I have worked with a varied number of clients across a wide range of industries. I believe that I can bring extensive attention to detail as well as excellent teamwork and client management to any perspective role. I'm reliable, trustworthy and respond well to any brief.

## Work Experience

### HubSpot

Apr 16 - present

I am currently working as a Senior UI Designer with HubSpot.

### Eightytwenty

Mar 14 - Apr 16

My role with Ogilvy & Mather Eightytwenty involved working on a range of diverse projects for numerous blue chip accounts across all industry sectors. Working in a creative studio my role has been to devise and develop strong visual solutions for many types of brands such as Guinness, Jameson, Opel and Bank of Ireland.

### GVC Gaming

Feb 13 - Dec 13

Responsibilities included design and development of company's websites, creating promotional material for all of the companies brands and affiliates. Brands included Betboo, Süperbahis and SportingBet.

### Boylesports

Nov 11 - Feb 13

I created various newsletters, graphics, flash animations, landing pages and print ads across all of the companies platforms. I was also responsible for the design & development of their new Bingo site from concept to finished product.

### Freelance Designer

Jun 10 - present

I worked on a number of projects with various clients such as including Avonmore, Distinct Model Management and I Love Cooking to name a few. I'm heavily involved in dealing with clients at every level to ensure that their needs are responded to quickly and effectively.

## Education

### FÁS

Feb 10 - Jun 10

Adobe Web Communication using Dreamweaver. I developed an in depth knowledge of programs such as Dreamweaver, Photoshop and Fireworks in conjunction with languages like CSS and HTML. I also received an Adobe Certification upon completion.

### Fitzwilliam Institute

Sep 08 - Jan 09

Diploma in Digital Marketing & Social Media with Online PR, SEO, Google Adwords and E-Commerce modules. Accreditation was awarded by the Institute of Commercial Management (ICM).

# DESIGNER

## DBS

Sep 05 - May 07

Studied Media & Communications which covers media, broadcasting, design & film. Part of a 3 year degree course but left before final year to work for McGovern PR.
